

Suicide Bereavement Support Service Stratford

The Kaleidoscope Plus Group are facilitating a Suicide Bereavement Support Service, across the whole county of Warwickshire.

The service has been funded by Warwickshire County Council through the Public Health and Strategic Commissioning team.

The service provides a safe space for people who have been bereaved by suicide to come together and talk openly about their experiences.

Groups are facilitated by trained professionals who bring with them skills and knowledge around coping with grief, loss and bereavement.

If you have been bereaved by suicide, and would like to access the groups, please contact us on the number provided prior to attending
